

POSTDOCTORAL FELLOWSHIP IN WOMEN'S CARDIOVASCULAR HEALTH

This scholarship reflects the commitment of the Libin Cardiovascular Institute of Alberta (LCIA) to postdoctoral training in cardiovascular research with a focus on women's cardiovascular health. The LCIA aims to promote excellence in cardiovascular research by recruiting and retaining outstanding postdoctoral fellows.

DONOR:	The Libin Cardiovascular Institute of Alberta's Women's Cardiovascular Health Initiative
FIELD OF STUDY:	Women's Cardiovascular Health
VALUE:	\$25,000 / Year
NUMBER:	One
DURATION:	Two years
ELIGIBILITY:	<ul style="list-style-type: none">• Open to candidates who hold (or are completing) a PhD, and supervised by a full or associate member of the Libin Cardiovascular Institute of Alberta in the Cumming School of Medicine.• Applicants must be pursuing research with a focus on women's cardiovascular health.• This scholarship will be matched by a \$25,000 award from the recipient's supervisor.• Postdoctoral scholars are encouraged to apply for awards from provincial, national or international agencies. However, a postdoctoral scholar cannot hold a full Postdoctoral Fellowship in Women's Cardiovascular Health with another award greater than \$25,000. If an applicant receives external funding/fellowship(s), the value of the Postdoctoral Fellowship in Women's Cardiovascular Health will be the difference between the fellowship (\$25,000) and the external funding/fellowship(s). All other conditions follow the University of Calgary postdoctoral policy and procedures.
CITIZENSHIP:	Unrestricted
WHERE TENABLE:	University of Calgary
APPLY:	Applicants should complete the LCIA Postdoctoral Scholarship Form

ADJUDICATION:

A review panel composed of LCIA members with expertise in women's cardiovascular health will evaluate all applications and will recommend nominee(s).

DEADLINE:

May 15 & November 15 (pending funding availability)
