LIBIN GRADUATE RECRUITMENT SCHOLARSHIP

This award reflects the commitment of the Libin Cardiovascular Institute of Alberta (LCIA) to graduate education in cardiovascular research. The LCIA aims to promote excellence in cardiovascular research by recruiting outstanding trainees to our innovative research training programs through the offer of competitive funding opportunities.

ELIGIBILITY: Students entering, or registered in a full-time MSc or PhD program under the supervision of a full member of the LCIA.

For the MSc program, application must be made prior to, or within twelve months of commencement of the program.

For the PhD program, application must be made prior to, or within two (2) years of commencement of the program.

VALUE: MSc: $12,500 / Year
       PhD: $12,500 / Year

NUMBER: Variable

DURATION: MSc: One year
           PhD: Two years

TERMS: While the award guarantees total funding of $12,500 for MSc level trainees, and $12,500 for PhD level trainees, the LCIA component of the award will be pro-rated by the amount obtained from other sources (i.e., Dean's Entrance Scholarship, external scholarships). Applicants must provide a letter of support from their research supervisor confirming supervision and committing to provide matching funds ($12,500 for MSc, $12,500 for PhD) until the student obtains an external scholarship. Students may only hold one LCIA scholarship at any given time.

The purpose of this award is to recruit students who will be highly competitive for external awards on the basis of their academic performance and research program. Thus, students holding this award are expected to apply for external awards or grants for which they are eligible, including those from provincial or national agencies.

CITIZENSHIP: Unrestricted

WHERE TENABLE: University of Calgary, Libin Cardiovascular Institute of Alberta

APPLY: Applicants should complete the LCIA Graduate Scholarship Form

DEADLINE: November 15 & May 15 (pending funding availability)
